## Engineering Works

Services are sometimes impacted by engineering works, particularly at weekends. During these periods, some or all trains may run to amended schedules. You can check train times on the EMR app, at [eastmidlandsrailway.co.uk](http://eastmidlandsrailway.co.uk), or by calling National Rail Enquiries on **03457 48 49 50**.

In the event of a Rail replacement bus running, please see Onward Travel posters at the station, or check our website, for the location of the bus stops.

Network Rail are continuing the Midland Main Line Upgrade, which involves electrifying the route from Kettering towards Sheffield and Nottingham, and improving electrification between London St Pancras and Bedford originally from the 1980s. We'll need to amend our services some weekends to facilitate these works.

## Coming soon: Aurora InterCity trains

The new state of the art **Aurora** train fleet is financed by Rock Rail East Midlands and will be built by Hitachi Rail UK in County Durham. They can run using electric overhead lines wherever possible, taking advantage of the £1.5 billion **Midland Main Line Upgrade** and will replace the diesel train fleet.

As a result, they are **quieter** and **greener**, meaning **lower carbon emissions** and a better environment for passengers, stations and communities along the route. Passengers will also see major improvements, including **more seats** (19% more per 5 car unit than a Class 222) and fresh, modern interiors alongside **air conditioning**, **free WiFi**, **plug sockets** and **better passenger information screens**.

Construction is underway with the first units undertaking static testing, before moving to mainline testing in the coming months.

## Smartcards

### The convenient way to carry train tickets

The EMR Smartcard makes travel quicker and easier by keeping all your train tickets securely in one place. You'll no longer need to queue to collect tickets – just tap your Smartcard onto the reader at our ticket machines, platform validators or ticket gates.

### How it works

Buy your Season, Anytime or Off-Peak ticket online or through our app. Then select Smartcard in the 'How to get your ticket' section at the checkout. After two hours, you'll be able to load your tickets onto your Smartcard by tapping it on a card reader at your chosen collection station.

If you're at the station, you can buy tickets from the ticket office or ticket machines and load them straight onto your Smartcard.

Find out more at [eastmidlandsrailway.co.uk/smart](http://eastmidlandsrailway.co.uk/smart)

### Why get a smartcard?

#### They're tough

Smartcards are made of durable plastic, so won't quickly wear away in your wallet or purse.

#### They're easy to use

Travelling through a station with automatic ticket gates? Touch your Smartcard on the reader, and you're good to go.

#### They're flexible

When your schedule changes, your Smartcard can change with it. Just load it with your ticket of choice.
