On shorter trips, we'll be keeping things simple and convenient - offering complimentary hot drinks, water, juice, and a biscuit to enjoy on board.

For longer journeys, you can enjoy our full First Class experience, including breakfast options, a light afternoon menu, and a selection of snacks and drinks served throughout your journey.

# Engineering Works

Services are sometimes impacted by engineering works, particularly at on weekday evenings and at weekends. During these periods, some or all trains may run to amended schedules.

You can check train times on the EMR app, at [eastmidlandsrailway.co.uk](http://eastmidlandsrailway.co.uk), or by calling National Rail Enquiries on **03457 48 49 50**.

In the event of a Rail Replacement bus running, please see Onward Travel posters at the station, or check our website, for the location of the bus stops.

## Aurora InterCity trains

The new state-of-the-art Class 810 Aurora train fleet, financed by Rock Rail East Midlands and manufactured by Hitachi Rail UK in County Durham, marks a significant upgrade for the East Midlands Railway. These trains are designed to operate on electric overhead lines wherever possible, taking advantage of the Midland Main Line Electrification upgrade, and are replacing the Class 222 Meridian diesel fleet. This transition brings substantial environmental benefits. The Aurora trains are quieter, more energy-efficient, and produce significantly lower carbon emissions - contributing to a cleaner, greener railway for passengers, station environments and the communities we serve.

Customers can also look forward to a vastly improved onboard experience. Each five-car unit offers 19% more seats compared to the existing Class 222 trains, along with modern interiors, air conditioning, free Wi-Fi, power sockets and enhanced passenger information systems.

The first unit entered passenger service in December 2025, with roll-out of the full fleet happening during 2026.

## Smartcards

### The convenient way to carry train tickets

The EMR Smartcard makes travel quicker and easier by keeping all your train tickets securely in once place. You'll no longer need to queue to collect tickets – just tap your Smartcard onto the reader at our ticket machines, platform validators or ticket gates.

### How it works

Buy your Season, Anytime or Off-Peak ticket online or through our app. Then select Smartcard in the 'How to get your ticket' section at the checkout. After two hours, you'll be able to load your tickets onto your Smartcard by tapping it on a card reader at your chosen collection station.

If you're at the station, you can buy tickets from the ticket office or ticket machines and load them straight onto your Smartcard

### Why get a smartcard?

#### They're tough

Smartcards are made of durable plastic, so won't quickly wear away in your wallet or purse.

#### They're easy to use

Travelling through a station with automatic ticket gates? Touch your Smartcard on the reader, and you're good to go.

#### They're flexible

When your schedule changes, your Smartcard can change with it. Just load it with your ticket of choice.
